Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Clinton City, Utah Sewer Services project in fiscal year 2026. The entity to receive funding for this project is Clinton City, Utah, located at 2300 North 400 West, Clinton, UT 84015. The funding would be used to expand and update sewer services in Davis County and to allow the area to keep up with rapid growth and development.

The investment in the Clinton City, Utah Sewer Services project represents a valuable use of taxpayer funds because it will significantly expand the sewer system in Clinton City and Davis County to provide sewer to areas that currently have septic systems. This new sewer system will eliminate existing septic systems and provide sewer to over 200 acres of future growth.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Rep. Blake D. Moore
Member of Congress
