Dear Chairman Cole and Ranking Member DeLauro,

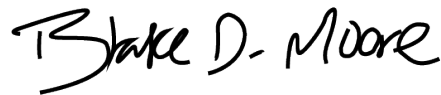

I am requesting funding for the Syracuse, Utah Antelope Drive Improvements project in fiscal year 2027. The entity to receive funding for this project is Syracuse City. The funding would be used for operational improvements to Antelope Drive and the construction of a paved, multi-use trail connecting to the Antelope Island Causeway.

The investment in the Syracuse, Utah Antelope Drive Improvements project represents a valuable use of taxpayer funds because it improves safety, regional mobility, tourism access, economic activity, and multimodal transportation while supporting state and regional planning priorities.

This project has a Federal nexus because it is for purposes authorized in 23 U.S.C. §133 (Surface Transportation Block Grant Program).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Congressman Blake D. Moore (UT-01)
Member of Congress
