Dear Chairman Cole and Ranking Member DeLauro,

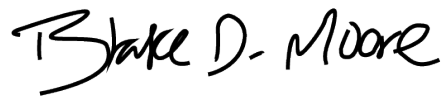

I am requesting funding for the Utah Transit Authority Paratransit Vehicle Upgrades project in fiscal year 2027. The entity to receive funding for this project is Utah Transit Authority. The funding would be used to procure twenty low-floor replacement paratransit vehicles that allow boarding without mechanical ADA lifts.

The investment in the Utah Transit Authority Paratransit Vehicle Upgrades project represents a valuable use of taxpayer funds because the new vehicles will improve safety, accessibility, and operational reliability of Salt Lake City's public transit system while supporting UTA's State of Good Repair goals and preparing the system for increased accessibility needs ahead of the 2034 Olympic and Paralympic Games.

This project has a Federal nexus because it is for purposes authorized in chapter 53 of title 49 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Congressman Blake D. Moore (UT-01)
Member of Congress
