Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Utah Paradise Parkway Corridor project in fiscal year 2025. The entity to receive funding for this project is Garden City, Utah. The funding would be used for the completion of the second phase of the Paradise Parkway Corridor. This Parkway will create a north-south alternate/bypass route for traffic flow along the main arterial roadway through Town. This Parkway reduces traffic congestion, will significantly increase roadway safety, and will provide connection to new development.

The Project has a Federal nexus because it is for the purposes authorized in 23 USC 133 (b).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Representative Blake Moore
Member of Congress
