Dear Chairman Cole and Ranking Member DeLauro,

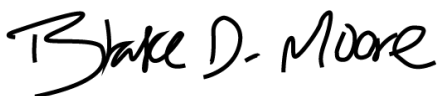

I am requesting funding for the Utah Ogden Canyon Trail project in fiscal year 2026. The entity to receive funding for this project is Ogden City Corporation, located at 2549 Washington Blvd, Ogden, UT 84401. The funding would be create a safe, separated route for pedestrians and cyclists, connecting Ogden City to the Upper Ogden Valley and addressing long-standing safety concerns along the canyon corridor.

The investment in the Utah Ogden Canyon Trail project represents a valuable use of taxpayer funds because it will create a safe, separated route for pedestrians and cyclists, connecting Ogden City to the Upper Ogden Valley and addressing long-standing safety concerns along the canyon corridor.

This project has a Federal nexus because it is for purposes authorized under 23 U.S. Code § 133 – Surface Transportation Block Grant Program (STBG), which permits funding for bicycle and pedestrian infrastructure projects, including planning, design, and construction of shared-use paths and trails.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Rep. Blake D. Moore
Member of Congress
