Dear Chairman Cole and Ranking Member DeLauro,

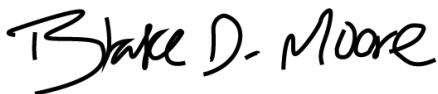

I am requesting funding for the Ogden, Utah Police Department Training Simulator project in fiscal year 2026. The entity to receive funding for this project is Ogden City Corporation. The funding would be used to acquire and deploy advanced simulation systems that support law enforcement, fire service, emergency response, and school safety personnel across Utah's First Congressional District.

The investment in the Ogden, Utah Police Department Training Simulator project represents a valuable use of taxpayer funds because it will significantly enhance law enforcement training and community safety while fostering positive relationships between law enforcement agencies and the communities they serve.

This project has a Federal nexus because it is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. section 10381(b)(8)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Rep. Blake D. Moore
Member of Congress
