Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Pleasant View City, Utah Stormwater Facility project in fiscal year 2025. The entity to receive funding for this project is Pleasant View, Utah. The funding would be used to construct a stormwater decant facility to meet Federal environmental requirements and benefit all city residents.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Representative Blake Moore
Member of Congress
