Ranking Member  
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Roy City Waterline Replacement project in fiscal year 2025. The entity to receive funding for this project is Roy City Corporation. The funding would be used to replace Roy City culinary water transmission lines.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

---

Member of Congress
