Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Utah State University Mobile Veterinary Laboratory project in fiscal year 2025. The entity to receive funding for this project is Utah State University. The funding would be used for state-of-the-art mobile facilities to deliver hands-on training to veterinary tech students in remote areas while also facilitating critical on-site agricultural research.

The project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Representative Blake Moore
Member of Congress
