Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Utah Transit Authority TRAX Light Rail Upgrades project in fiscal year 2026. The entity to receive funding for this project is Utah Transit Authority, located at 669 W 200 S, Salt Lake City, UT 84104. The funding would be used to replace 20 high-floor light rail vehicles with low-floor vehicles, improving accessibility and reliability.

The project has a Federal nexus because it is for the purposes authorized in 49 USC section 5307.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Rep. Blake D. Moore
Member of Congress
