Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Weber County, Utah Storm Drain Infrastructure project in fiscal year 2025. The entity to receive funding for this project is Weber County, Utah. The funding would be used to enhance the current storm drain infrastructure in unincorporated Weber County to improve flood mitigation, enhance drainage to the Great Salt Lake, and support community and economic development initiatives.

The project has a Federal nexus because the funding is for purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Representative Blake Moore
Member of Congress
