Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Weber County, Utah Storm Drain Infrastructure project in fiscal year 2026. The entity to receive funding for this project is Weber County, Utah, located at 1675 Washington Blvd, Ogden, UT 84401. The funding would be used to enhance the current storm drain infrastructure in unincorporated Weber County. This project is a valuable use of taxpayer funds because it will improve flood mitigation, enhance drainage to the Great Salt Lake, and support community and economic development initiatives.

The project has a federal nexus because the funding is for purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Rep. Blake D. Moore
Member of Congress
