Dear Chair DeFazio and Ranking Member Graves,

I am requesting funding for the 1500 West and 1300 North Roundabout Project in surface transportation reauthorization legislation.

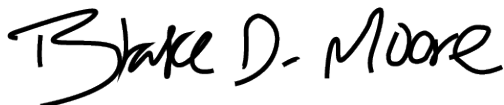

The sponsor for this project is Clinton City, and the project will be undertaken at 1500 West and 1300 North in Clinton City, Utah 84015.

The funding is designated to remove obstructions that limit visibility at an intersection and to construct a roundabout.

The project is an appropriate use of taxpayer dollars and is anticipated to benefit the community by improving safety and mobility for pedestrians, bicyclists, and vehicles. It is also anticipated to improve the area's air quality by reducing emissions from idling cars.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Blake Moore
Member of Congress
