Dear Chairman Cole and Ranking Member DeLauro,

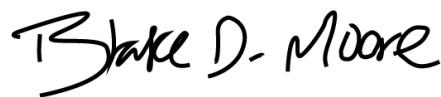

I am requesting funding for the Salt Lake City Police Department Public Safety Response Vehicles project in fiscal year 2027. The entity to receive funding for this project is Salt Lake City Corporation. The funding would be used to purchase transport and tactical law enforcement vehicles.

The investment in the Salt Lake City Police Department Public Safety Response Vehicles project represents a valuable use of taxpayer funds because it improves public safety response to regional demonstrations, emergencies, mass casualty incidents, natural disasters and large public gatherings. Enhanced capabilities are needed due to the growing size and frequency of events, demonstrations and gatherings as well as the increase in criminal activity at those events. This project will facilitate quick deployment, enhance officer safety in high-risk situations and hot zones, and improve logistical management of large events, emergencies, and other urgent public needs ahead of the 2034 Winter Olympics.

This project has a Federal nexus because it is for purposes authorized in 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

---
