The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
H-307 The Capitol

Dear Chairman Cole and Ranking Member DeLauro,

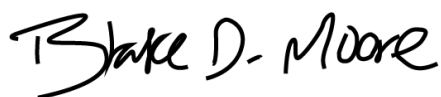

I am requesting funding for the North Park Police Department Equipment and Training project in fiscal year 2027. The entity to receive funding for this project is North Park Police Agency. The funding would be used to modernize critical law enforcement equipment and invest in specialized officer training.

The investment in the North Park Police Department Equipment and Training project represents a valuable use of taxpayer funds because it is a high-impact, cost-effective commitment to foundational public safety infrastructure.

This project has a Federal nexus because it is for purposes authorized in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

---
