Dear Chair DeFazio and Ranking Member Graves,

I am requesting funding for the Ogden Canyon Shared Used Pathway Project in surface transportation reauthorization legislation.

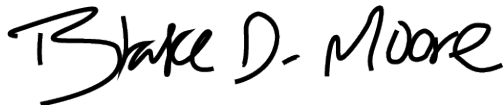

The sponsor for this project is Ogden City, and the project will be undertaken on Utah State Road 39 in Ogden Canyon in the zip code 84401.

The funding is designated to complete the Waterfall Phase of the project, which will create a shared-use pathway along the Ogden River Scenic Byway for pedestrians and non-motorized traffic.

The project is an appropriate use of taxpayer dollars and is anticipated to benefit the community by creating a critical multi-use active transportation system in an area where there are extreme safety risks for pedestrians and cyclists.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Blake Moore
Member of Congress
