Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Ogden, Utah Police Department Training Simulator project in fiscal year 2025. The entity to receive funding for this project is Ogden City Corporation, located at 2186 Lincoln Avenue, Ogden, UT 84401. The funding would be used to purchase a training simulator system to be utilized at their department and be made available to surrounding police departments, school districts, and for community education.

The investment in the Ogden, Utah Police Department Training Simulator project represents a valuable use of taxpayer funds because it will significantly enhance law enforcement training and community safety while fostering positive relationships between law enforcement agencies and the communities they serve.

The project has a federal nexus because it is for the purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Representative Blake Moore
Member of Congress
