Dear Chair DeLauro and Ranking Member Granger,

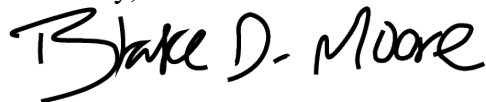

I am requesting funding for Utah State University's Institute for Land, Water, and Air in fiscal year 2022.

The entity to receive funding for this project is Utah State University, located at 5200 Old Main Hill, Logan, Utah 84322.

Funding would be used for the creation of the Institute for Land, Water, and Air. The Institute will provide policymakers with timely and actionable, peer-reviewed research, data, and analysis. This would help land managers craft sound policies related to forestry, wildland fire management, climate, watershed, and associated natural resource activities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Blake Moore  
Member of Congress
