Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the FrontRunner Forward project in fiscal year 2022.

The entity to receive funding for this project is Utah Transit Authority, located at 669 West 200 South, Salt Lake City, Utah 84101.

Funding would be used for project development and engineering for FrontRunner train improvements, including double tracking. This effort will also include a focus on vehicle engineering and specifications for expanded fleet resources.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Blake Moore
Member of Congress
