The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Planning and Environmental analysis for Cache Parkway in fiscal year 2024. The entity to receive funding for this project is Cache County Corporation, located at 179 N Main & 199 N Main Logan, UT 84321. The funding would be used to move forward the planning and environmental process for the Cache Valley Parkway in Cache County. The project is an appropriate use of taxpayer funds because this multi-modal transportation facility has been in local and regional plans for 20-plus years. This request aims to provide funding to define alignment and roadway characteristics options better and complete the necessary environmental reviews and approvals.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Blake Moore  
Member of Congress
