The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

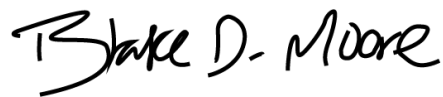

I am requesting funding for the Utah State University Police Department UAS Fleet project in fiscal year 2027. The entity to receive funding for this project is Utah State University. The funding would be used to purchase ten NDAA-compliant small UAS to support public safety operations on Logan and Price USU campuses.

The investment in the Utah State University Police Department UAS Fleet project represents a valuable use of taxpayer funds because the drones will enhance campus situational awareness, emergency response, and law-enforcement coordination while also being integrated into USU's UAS academic programs to expand hands-on workforce training. The project strengthens both campus safety capabilities and Utah's growing UAS workforce pipeline.

This project has a Federal nexus because it is for purposes authorized in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

---
