Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Harrisville City Complex Roadway in fiscal year 2024. The entity to receive funding for this project is Harrisville City, located at 363 West Independence Blvd. Harrisville, UT 84404. The funding would be used for a roadway to connect Highway 89 to the new Harrisville City municipal complex. The project is an appropriate use of taxpayer funds because it will connect arterial roadways, improving motorist safety and access near the rail lines that run south of the proposed project location. This roadway would also provide more commercial business opportunities on Hwy 89 and the main road, 750 West, and better access to the new municipal complex that serves the citizens of Harrisville City. The new municipal complex houses the Police, Fire, Administration Public Works departments, and a future recreation center, making it easier for citizens to meet with their elective representatives, community leaders, and access emergency services and public works in one centralized location.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Blake Moore
Member of Congress
