The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Ogden City Airport Apron project in fiscal year 2024. The entity to receive funding for this project is the Ogden City Corporation, located at 2549 S Washington Blvd, Ogden, UT 84401. The funding would be used to construct an already designed, large (60,000 sq. yd.) aircraft apron on the west side of the Ogden Airport. The project is an appropriate use of taxpayer funds because it would leverage a significant local investment to support operations at Hill Air Force Base and will result in increased economic investment and accessibility in and around Weber County.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq and because Ogden Airport is part of the National Plan of Integrated Airport Systems.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Blake Moore
Member of Congress
